Ajas Muhannad

Career objective

A detail-oriented and analytical BSc Computer Science graduate with a strong foundation in data analysis, statistics, and programming. Skilled in collecting, cleaning, and interpreting large datasets to support data-driven decision-making. Proficient in tools like Excel, Python, SQL, and visualization platforms such as Power BI and Tableau. Possesses strong problem-solving and critical-thinking abilities, with a passion for uncovering insights and optimizing business performance through data. Eager to begin a career as a Data Analyst and contribute to innovative, data-driven projects.

Technical Skills

- Proficient in Python (Pandas, NumPy, Matplotlib, Streamlit) for data analysis and visualization.
- Skilled in **SQL** for data querying, extraction, and manipulation.
- Experienced in **Microsoft Excel** (Pivot Tables, VLOOKUP, Charts) for reporting and analytics.
- Knowledge of **Power BI** for creating interactive dashboards.
- Strong understanding of **Data Cleaning**, **Data Preparation**, and **Statistical Analysis**.
- Basic understanding of **Machine Learning concepts** and model evaluation.

Projects

Pitch Time ⬈
A Flutter-based mobile application for booking turf and purchasing or renting amenities.
- Developed a responsive UI for real-time turf booking and payment.
- Developed a user-friendly mobile app that allows users to view, book, and pay for turf slots in real-time.
- Integrated features for browsing, buying, and renting sports amenities within the app.

Live Income Data Monitoring App ⬈
Streamlit-Based Real-Time Income Monitor

A real-time dashboard built using Streamlit to track, visualize, and analyze income streams dynamically. It integrates live data feeds, displays key metrics (e.g. total revenue, trends over time), and allows filtering by source or time period to aid decision-making.

Education

University of Calicut
Bachelor of Science (B.Sc) in Computer Science | [2022-2025]
Grade: 61.58%

Higher Secondary – Computer Science
JDT Iqraa Vellimadukunnu | [2020 – 2022]
Grade: 80%

Key Skills

- Analytical Thinking
- Communication Skills
- Time Management
- Team Collaboration
- Problem-Solving
- Adaptability & Quick Learning

Certificates

- Beginners Training Program in Artificial Intelligence ⬈
- Data Science and Artificial Intelligence ⬈

Languages

- English
- Malayalam
